Finding Full Text Articles

Look for the GetIt@UTC links and buttons in search results. Click it for article options.

Article Options

{ 1 } Direct access to the article. Click the Get It! button to jump to the article.

{ 2 } No direct access, but may be available online.
Follow these steps to find it quickly:

- Note article date and issue listed at top of results screen.
- Choose a database and browse to the issue you need.
- Then browse the table of contents to find your article.

{ 3 } Journal is in Print (or Microform), but not online.
Check holdings for dates to make sure we have the issue you need.

Write down the call number to find the journal in the Library.

{ 4 } The article is not available in print or online.
You have the option to order the article via ILLiad Interlibrary Loan.
